(14) Achieving Measureable Skill Gains in Education or Training Program Leading to Credential	52						
(15) Effectiveness in Serving Employers							

Dylan Melton is a 20- year -old out of school youth. Mr. Melton came to the American Job Center seeking funding to pay for Class A CDL Training. He was determined eligible for the youth program based on being low income and basic skills deficient. Dylan was enrolled into Occupation Skills Training and WIOA Youth Program paid for his tuition to attend CDL Mentors Truck Driving School. While attending, Dylan was able to learn the skills needed and received a Certificate of Completion from the school as well as earning his Class A CDL License. He quickly obtained employment with Southwest Beverage. Dylan was able to achieve his career goals and have help from WIOA through the process. This new credential and employment will enable him to become self-sufficient.
